| Our Why

The SISD Education Foundation was created in 2018 to provide additional support in the form of innovative teacher grants, allowing our educators to provide experiences for students that may be out of the scope of the existing district budget.

To date, we have been able to award \$52,808.63 in teacher grants!

Year In Review

Grants - We were able to award \$12,342.53 in funds to six (6) approved teachers/staff members. The funds were all distributed and used for their projects in the second semester of the 2023-2024 school year.

Scholarships - We were able to give \$3,000 to three (3) senior students and one paraprofessional staff member pursuing her degree in education.

Fundraising Campaigns - Since August 2023, we have created eight (8) successful fundraising campaigns which generated approximately \$142,000 in sponsorships and donations.

Social Media Presence - Increased our social media engagement and exposure.
